

DE-FLEX DRY AREAS MODULAR

Extremely comfortable heavy duty anti-fatigue matting system with popular diamond plate traction surface that can be easily assembled for coverage of large areas or individual workstation mats.

These 45 cm x 45 cm modular rubber tiles are designed with a universal double-locking system on all sides to ensure an extra strong yet seamless connection for fast installation. The 19 mm thick platform insulates the worker from the hard ground while the bulleted domes underneath allow the mat to bend and flex with every movement. Unique extended ramp prevents tripping and allows cart access with smart bevelling solutions for inside and outside corners.

Where to use:

- Heavy duty - dry industrial areas

Product info:

- Heavy duty rubber compound
- Overall thickness: 19 mm
- Weight: 3,3 kg per mat
- Available in Rubber, Nitrile and ESD
- Slip resistance rating R10 according to DIN 51130
- Free of DOP, free of DMF, free of ozone depleting substances, free of silicone and free of heavy metals
