

# SKYWALKER® HD MODULAR MATTING

Skywalker® HD is a heavy duty rubber compound mat for industrial strength applications. Snap together tiles of 91cm X 91cm can be easily assembled for coverage of large areas or individual workstations. Ergonomic benefit derived from a 1/2" thick worker platform with a bubble pattern for maximum fatigue relief in dry industrial environments. The unique design and craftsmanship make the mat easy to handle and easy to install on site.

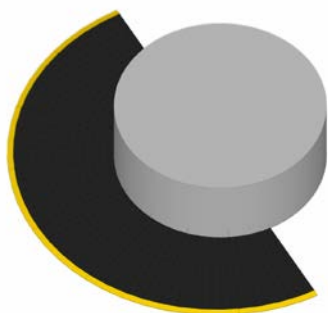

Available beveled edges prevent tripping and allow inside and outside corners. Range of accessories including Skywalker® HD Yellow Safety Line and Skywalker® HD i-Curve™ and Skywalker® HD o-Curve™ series.

## Where to use:

Dry environments where added ergonomic comfort and support in a modular configuration may be required; workstations, assembly lines.

## Product info:

- Resilient natural rubber compound and unique support design offers exceptional fatigue relief
- Bubble top surface for added comfort that is easy to clean
- Easy to snap together mats on-site for custom work station platforms
- Compatible with any of the Skywalker® HD family of mats
- Skywalker® HD Ramps and #469 Safety Line available
