

POSTURE MAT

Ideal for stationary standing workstations, sit-stand desks, packing stations, office environments, reception areas, wait stations, service counters, cashiers

Posture Mat™ is an exceptionally comfortable anti-fatigue mat for standing workers in primarily stationary positions making it ideal for sit-stand desks and individual standing workstations.

At 18 mm thick this anti-fatigue mat is designed for supportive yet buoyant feel for natural support to the core muscles to promote better alignment and posture. Foot pressure is distributed evenly so no pressure points are built up on the bottom of the feet from the hard floor underneath.

The top surface is smooth with an attractive textured pattern that fits well in any office environment and is also easy to clean. The PVC top coating that protects against high heel damage is combined with bevelled edges and rounded corners to minimize tripping.

Where to use:

Exceptionally soft and comfortable anti-fatigue mats for standing workers in primarily static positions with limited lateral movement making it ideal for sit-stand desks and individual standing workstations

Product info:

- PVC on microcellular vinyl base
- Backing: Crumb rubber
- Moulded bevelled edges on all sides
