

# SUPERFLOW FOOD SERVICE MATTING

566 Superflow® XT Reversible anti-slip mat is remarkably comfortable and usable on both sides for extended life. Its perforated woven surface is slip resistant while allowing instant evacuation of liquids in wet areas. Low profile for easy cart access and lightweight to facilitate lifting and cleaning

### Where to use:

Food processing and food service areas where anti-fatigue and safety are required and water and greases are present

### Product info:

- Natural rubber compound for general applications or 100% nitrile for Food processing areas.
- Double sided dog-bone pattern doubles life of mat
- Moulded bevelled edges on all sides
- Overall thickness 8.5 mm
- Lightweight to facilitate removal and cleaning
