

# Disposable Micro Mops

# 4

Ready To Use With Even Distribution of Moisture.

Disposable Micro Mops can be used to mop your floors by using it dry with the Aquamop or pre-moistened on a Velcro Mop Head using the Disposable Preparation Bag. This unique measuring bag allows you to pre-moisten your Disposable Micro Mops correctly.

Perfect for use on vinyl, tile and non-slip bathroom floors with neutral cleaner, disinfectant or chlorine solution. Available in white, blue and red for when colour coding is required.

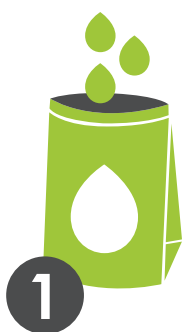

- **PRE-MOISTENED:** Take a correctly moistened Disposable Micro Mop out of the bag, place it on the floor and attach to Velcro Mop Head.
- **USE DRY WITH AQUAMOP:** Take a dry Disposable Micro Mop and use it with the Aquamop.

Product Name	Packet	Part No.	Box Qty
Disposable Micro Mop White	10 PK	INTDMM42200K	20
Disposable Micro Mop Blue	10 PK	INTDMM42200KB	20
Disposable Micro Mop Red	10 PK	INTDMM42200KR	20

(Each mop packet comes with a Prep bag)

## How to:

**Fill the bag with clean mopping solution**

100mls per mop for large floors.  
50mls per mop for small floors or spot mopping.

**Place 2-10 dry mops in the bag**

Folded edge down.

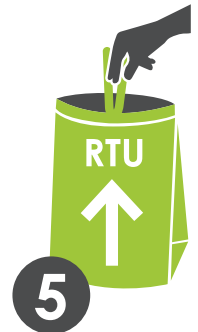

**Close the bag**

By sliding snap lock across top.

**Wait 10 seconds**

For moisture to absorb evenly.

**Ready to use**

Remove mop & place on floor.
